

Journeys from Mt Barker

Southern Encounter

A day journey from Mt. Barker to Goolwa and Victor Harbor and return, travelling in part on the first public railway line in Australia.

Departing Mt. Barker, the train powers up the short climb to Philcox Hill, the highest point on the line, then drifts down out of the Adelaide Hills onto the rich farmlands of Strathalbyn and Finnis, passing through the former Sandergrange siding, where a line branched off to Milang. Then it's over the Finnis River and "Black Swamp" bridges and through scrub country with native vegetation where kangaroos are often noted bounding alongside. Further on, we cross one of the tallest rail bridges in South Australia at Currency Creek, before arriving at the River Port of Goolwa. After a short stay, the train combines with the Cockle Train and goes on to Victor Harbor. Passengers may alight at Goolwa or Pt. Elliot and catch a later train to Victor. Experience the picturesque views from your carriage window as we travel alongside the Southern Ocean just above the sand.

There are about three hours in Victor Harbor for lunch, ride the Horse Tram to Granite Island or visit some of the many attractions Victor has to offer. Ask about our meal deals.

Late afternoon, relax as we retrace our steps to Mt. Barker. Listen as the locomotive tackles the long climb out of Strathalbyn back up the hill to Philcox Hill before descending into Mt. Barker. A Buffet Car is included on the train.

Duration 10.00 am to 6.10 pm **BOOKINGS ESSENTIAL**

Departs Mt. Barker – Sundays 2nd & *16th June, 7th & *21st July, 4th & *18th August, 1st & 15th September, 6th & 20th October and 3rd & 17th November 2013.
